**Bhanu Chopra, Founder and Managing Director, RateGain, said,** "FY26 was the year RateGain became a structurally different company. The Sojern integration is delivered ahead of plan, we have built the world's largest travel intent data platform, and AI is now generating measurable commercial outcomes for our customers across acquisition, distribution, and engagement. We enter FY27 with stronger capabilities, sharper execution, and a clear line of sight to our \$1 billion ambition."

**Ankit Aggarwal, Deputy Chief Financial Officer, RateGain, said,** "FY26 was a year of focused investment and disciplined execution. We closed the year with strong revenue momentum, healthy operating cash flows, and improving margins as integration benefits begin to flow through. Our financial position, operating rigor, and continued focus on profitable growth give us the confidence to deliver on our FY27 priorities."

As RateGain enters its next phase of growth, the company continued to strengthen its global employer brand, being recognized as a Great Place to Work for the seventh consecutive year in India and for the first time in Spain and the United States. RateGain was also named Emerging Company of the Year at the ET Corporate Excellence Awards, underscoring the discipline, execution, and long-term ambition behind its growth journey.
